	BOX OF	BOX OF	BOX OF
HARDY PERENNIALS (continued)	20	40	80
HARDY PHLOX. The great panicles of bloom make the Hardy Phlox		**************************************	PATRICIPAL IN COLUMN 1
one of the most showy of all objects on the lawn during			
the summer months.	3.25	6.00	10.00
DOUBLE HOLLYHOCKS. Extra fine flower stalks, often grow to			
over five feet in height. A glory for the back fence line.	3.25	6.00	10.00
HARDY CHRYSANTHEMUMS. When other flowers are entering on their			
winter's rest, these Hardy Chrysanthemums are in their prime	. 3.25	6.00	10.00
COLUMBINES. Can be used in full sunlight or partial shade.			20.00
Graceful airy flowers.	3.25	6.00	10.00
LARKSPUR. Flower stalks produce blooms of various shades of	*****		10.00
blue, the stalks sometimes over 5 feet in height.	3.25	6.00	10.00
BABY'S BREATH. One of the most popular old-fashioned perennials.		6.00	10.00
ORIENTAL POPPY. Flowers from five to seven inches across on	0.130		20,00
tall stems. A gorgeous variety.	3.25	6.00	10.00
SHASTA DAISY. One of the finest of Luther Burbank's productions.			
Pure white flowers, frequently 21 or 3 inches in diameter.	3.25	6.00	10.00
CLOVE SCENTED PINKS. Delightfully sweet scented flowers (like			
carnations). Early summer flowering in great abundance,			
more sparingly in mid and late summer. Shades of pink pre-			
dominate in great range of colors.	3.25	6.00	10.00
CANTERBURY BELLS. Profusion of bell-shaped blue and pink flowers			
through July and August.	3.25	6.00	10.00
COREOPSIS. The best of the hardy yellow flowers for mass effect.			
Blooms constantly from June to frost.	3.25	6.00	10.00
HIBISCUS. (or Marshmallow). Enormous blossoms, sometimes 8 to			
10 inches in diameter, white and pink; produced from			
early August to frost.	3.25	6.00	10.00
PAINTED DAISIES (or Pyrethrum). These might be called "Aristocra	ts"		
of the flower garden because of their refined beauty. Most			
attractive foliage helps accentuate their refinement.	3.25	6.00	10.00
LOOSE STRIFE (Lysimachia). Long dense spikes of pure white			
flowers. During the last half of the summer.	3.25	6.00	10.00
DROPMORE (Anchusa). Will grow to four or five feet, with de-			
lightful gentian blue flowers an inch or more across.			•
During the first half of the summer.	3.25	6.00	10.00
ORANGE SUN FLOWER (Heliopsis Pitcherianus). Grows from two to			
three feet, producing deep golden yellow flowers freely			
through the summer.	3.25	6.00	10.00
NOTE: 20 PLANTS is the minimum quantity that may be ordered of the	he above	e Pereni	nials.
There are 19 Varieties.			
DELIVERY: These prices do not include delivery. Shipment will be	e made 8	and char	rgea
collected on delivery.			
DESCRIPTION . THE DODGEST MDANCOTANDO and delicate out to the		+ 200 20 000	22+0

GUARANTEE: The above stock is FULLY GUARANTEED by THE LIVING TREE GUILD to arrive in good condition and any reported not in good condition on arrival will be replaced without cost.

EXCEPTION: EVERGREEN TRANSPLANTS are delivered without extra charge for transporta-

tion if remittance accompanies order.
